4. What do you do if your pup is chasing squirrels, leaves, birds, or other objects?

5. What do you do if a pup is chewing on your pant legs or leash as I am walking?

6. What do you do if you and a pup are denied access somewhere?

7. What do you do if a pup is nipping on your hands?

8. What are four important things to always have with you when you have a puppy (whether it is your own or you are puppy sitting)

Part III. Commands (each worth 5 points)

You will be asked to perform the commands. You will be scored from 1-5. You can perform each command up to 3 times in any order. You will be scored on the best of the three trials. You can choose the pup that you would like to perform the commands with. It would be in your best interest to select a pup that you have puppy sat often, or have handled many times at meeting or events. Remember that these are still pups, and puppies are never “perfect.” You will be scored on your handling ability.

You must perform the following:

- A. Come
- B. Sit and Down (Puppy Push-Ups)
- C. Rest
- D. Recall

Score:

COMMAND	TRIAL 1	TRIAL 2	TRIAL 3	BEST SCORE
Come				
Sit and Down				
Rest				
Recall
