

# PROUD PUPPY HUNT

## Rules

Take photographic (or video when required) proof of the following hunt items and post them in the PROUD Facebook group with appropriate caption or send them to club leader Kim Winnington if you are not a member of Facebook.

Before being eligible to receive a puppy, you **MUST** complete the first 7 items in bold and earn **AT LEAST** a total of 300 points.

Points listed are only the **MINIMUM** possible points awarded. Additional points can be awarded for creativity, effort, by adding more dogs or people than required, etc.

Photos may only count for one hunt item at a time. Example: a photo of the entire current executive board (18) with all of the current puppies (19) may only earn points for one of those items.

Several hunt items such as Canine Body Language (28) will require you to speak with a current executive board member in order to understand what should be shown in the photo and why.

Points will be subtracted if a photo contains a dog or individual behaving inappropriately and the photo will be removed.

All items on the list can be obtained and performed legally. Do not break the law or the rules set forth by TSE, PROUD, or the University of Delaware. We are not responsible if you do.

Play nice. Do not do anything offensive that physically harms or causes embarrassment to another person, or that demeans another based on race, gender, ability, sexual orientation, religion, or age.
